

DIE STAMPING

DIE STAMPING ARTWORK SPECIFICATIONS

ARTWORK

- We request that Artwork is supplied as Black and White PDF's
- Vector File Artwork is preferred with all fonts set to OUTLINES
This prevents any font substitution issues
(EPS, Ai, PDF formats are the best, NOT Flattened or with a Bitmap image)

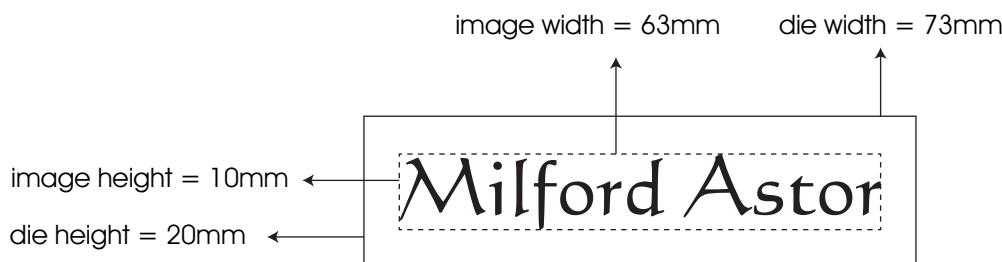

We are also happy to create artworks according to your brief and specific requirements

DIE MANUFACTURE

We need the following information to be provided:

- Final Image size width and height in mm
- Final Die Size width and height in mm
- Generally we prefer to include a 5mm bleed (extra area) around your image area
- Drill holes (if required, we also need the specifications)
- Solid Mounting or backing plates (if required, we also need the specifications)

Our minimum Die Size is 30mm x 40mm

Hot stamping Dies are manufactured in various thicknesses, the main ones are:
1/4" (6.35mm) or 1mm, 2mm thick or PICA dies.

All PDF's to be emailed to artworks@astor.com.au

If you have any queries or would like further clarification please contact us in the art department.
